Lloyd M. Hatch, Oak Lake, Man. (Mgr.)	.PH 303-5
Morris Senkiw, Cromer, Man. (Secretary, Manitoba Shorthorn Club)	.PH (Virden) 556-2208
Jack Wright, Hamiota, Man. (President, Manitoba Shorthorn Club)	PH 764-2691
Harvey Fulton, Birtle, Man.	.PH 842-3260
Keith Poole, Kemnay, Man.	.PH 728-2418
Morley McDougall, Virden, Man. (Manitoba Area Code: 204)	.PH 556-2234

For any information regarding trucking, holding purchased animals, accommodation, etc., pertaining to the sale, please contact Manager, Secretary, or other members of the committee you may know personally.

Welcome to our 2nd Annual Consignment Sale.

Our first sale was so successful that our committee, Lloyd Hatch, Harvey Fulton, Keith Poole, Morley McDougall, Morris Senkiw and myself, have come up with another group of modern cattle for your approval.

They feel that these cattle are as good as or better than what was offered last year. Numerous people have been asking about Shorthorn females, so here is your opportunity to select some to add to your herd. We wish to thank the committee and the breeders for their efforts and loyal support.

We are holding a reception and barbeque, Friday evening, June 8, with the assistance of the Manitoba Shorthorn Lassie Auxiliary. Let's make this a strong showing of breeders and their families and visit with our Virden friends and supporters.

— Jack Wright, President
Manitoba Shorthorn Association

FROM THE SELECTION COMMITTEE

Manitoba Shorthorn Breeders have always proved well against tough competition.

Since our Provincial Test Station started operation in 1965, Shorthorns have had the highest daily gain, more times than any other English breed.

Our Shorthorn Breeders demand females that produce regularly: big, fast-gaining progeny, that yield a red meat carcass, to meet today's grading requirements.

Most of our Shorthorn Breeders receive the major portion of their income from the sale of beef and breeding stock; therefore, the success of their business depends on Satisfied Buyers.

In approving the animals consigned to this sale, we consider the females to be the type to meet the standards of our Manitoba Shorthorns.

Many of the yearlings, both male and female will make excellent show animals.

We invite you to attend this second Annual Sale.

Our Motto: PRACTICAL CATTLE — SATISFIED CUSTOMERS.

— Lloyd M. Hatch
Sales Manager

COMMENTS FROM THE AUCTIONEER

In my opinion, the Shorthorn Breeders of Manitoba have made a great contribution towards the revitalization of their breed throughout North America. They have dedicated themselves to the production of Shorthorn cattle that will grow, yield red meat, and retain the qualities of the Shorthorn mother cow. They also want them to be that kind that will win when shown, meaning they must have style and be correct. The influence of Manitoba Shorthorns can be witnessed in the breeding program of nearly every great herd and in the winners at most major shows.

The astute committee of practical cattlemen have again elected a sound offering for this sale of which they are proud. They are cattle that will be winners, champions and practical breeding stock. Your herds can be the better by selecting from this group.

Shorthorn breeders have every reason to be highly optimistic: the beef industry is buoyant and short supplied for the foreseeable future; with advancing feed costs, cattle that have the ability to put on flesh quickly and efficiently will be at a premium; for crossbreeding, nothing can better the Shorthorn and more commercial cattlemen rediscover this fact each year. The future is yours — don't be caught with empty shelves when the customers come by!

— J.R. (Jock) Blacklock

TERMS AND CONDITIONS

TERMS: Terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Cheques are to be handed to the clerks immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

INSURANCE: Insurance will be available at the sale.

LUNCH: Will be served on the show grounds on sale day.

BARBECUE: Join your friends on the showgrounds the night before the sale for a Dutch treat barbecue.

GUARANTEE: The cattle will sell under the standard guarantee endorsed by the Canadian Shorthorn Association. A condition of this guarantee is that failure to breed must be presented in writing to the seller within six months of the date of sale. Calves at foot are not guaranteed.

A bull should not be allowed to serve when under fourteen months of age or be allowed to run with the herd when under twenty months of age. In the event of an animal proving to be a non-breeder or of a female breaking service date, if a satisfactory settlement cannot be reached with the consignor, the purchaser must file protest and proof in writing to the Secretary of the Manitoba Shorthorn Club; such protest must be accompanied by a deposit of \$25.00. If on inspection by a veterinarian appointed by the Manitoba Shorthorn Club, the protest is allowed and the animal declared a non-breeder, the \$25.00 deposit will be refunded to the purchaser, and the consignor will be required to pay costs in connection with the veterinarian inspection re the animal. If, however, the animal proves to be satisfactory and is declared sound by the veterinarian, the buyer must assume the cost of the veterinarian's inspection. If the protest is allowed, the non-breeding animal again becomes the property of the seller who shall:

Replace the animal immediately with one of approximately equal age, quality and breeding acceptable to the buyer. If the seller does not have the above animal available, he must refund 90% of the purchase price of the animal to the purchaser. Return transportation charges to be paid by the seller, no charge for feed or maintenance shall be made by the purchaser.

LIABILITY: The Manitoba Shorthorn Breeders Association, sponsors of this event, the individual consignors, or the Virden Agricultural Society cannot be responsible for any accidents that may occur. Although accidents at cattle sales are rare, every person attending must assume risk for injury to himself. The guarantee shall constitute a contract between the buyer and the seller of each lot. Neither the sale manager, nor his staff, nor the auctioneers, nor the clerks assume any liability of any kind. They were employed by the Manitoba Shorthorn Association for specific promotional and clerical tasks, and have nothing to do with the handling of the cattle or the condition of the premises. The sale manager can assume no liability for the fulfillment of guarantees or errors in health papers. Where footnotes appear in this catalogue, they were furnished by the consignors or written from information supplied by the consignors.

RECORDING IN U.S. HERD BOOK: The specific fee levied by the American Shorthorn Association on animals imported from Scotland will be paid by the seller. All other cattle will be transferred to the new owner in the Canadian herd book. It will be the responsibility of the U.S. buyer to pay the additional \$10 fee required to transfer from the Canadian to American herd

book. All pedigrees will be verified for acceptance into the American Shorthorn herd book. Any that are not acceptable will be announced on sale day.

HEALTH: All cattle are eligible to go anywhere in Canada immediately from the sale. Cattle sold for export to the United States will have to be held for a three-day test, unless otherwise announced on sale day. Cost of export tests will be paid by the seller, and held until ready for export.

MAIL BIDS

If you cannot attend, mail bids may be sent to any of the Sale Committee, also the following reliable representatives, each of whom can be reached at the Countryside Inn, Virden, Manitoba, telephone [204] 748-1244, the day before the sale.

MIKE KERSHAW, the Shorthorn World, 16 S. Locust Street, Aurora, Illinois 60506. Tel. [312] 896-8511

JOCK BLACKLOCK, Auctioneer, 1008 - 8th Street, East, Saskatoon, Saskatchewan. Tel. [306] 343-1863.

O.C. MANGOLD, Linstrom, Minnesota 55045. Tel. [612] 257-7647.

MRS. C.C. GOVE, Canadian Shorthorn Association, Guelph, Ontario. Tel.: [519] 822-6841 or any of the Sale Committee — See page 1.

CROSSING THE BORDER

Crossing the Canadian border into the United States is not difficult, and we will work with you to be sure that all necessary papers are in order. Please keep in mind that there will be minor charges at the border which are payable by the buyer.

PLEASANT DAWN MARK—X

Taken at 2 years old. Brandon Summer Exhibition.

- Grand Champion Bull
- Best Manitoba Bred Bull
- Supreme Champion Shorthorn

All the "Woody Hills" consignments to the "trip West Sale 1973" are by the **Pleasant Dawn Mark** bull.

Mark himself was the winner of 12 consecutive shows in the 1970 Manitoba and Saskatchewan show circuits.

Recently Pleasant Dawn Mark has produced these winners:

- Woody Hills Mark—First Prize Calf 1971 International Sale.
- Woody Hills Mark 2nd—Reserve Champion, Edmonton Summer Show.
- Woody Hills Mark 6th—Won his class 9 times in 1972.
 - Grand Champion Regina Summer Show
 - Grand Champion Regina Agribition
 - Member First Prize Pair of Bulls
 - First Polled Bull to go to Scotsdale Farm.
- Woody Hills Mark 8th—Grand Champion International (Canadian) 1973
- Kemwood Lady's Princess 6th—Junior Champion Toronto Royal.
- First Prize Pen of 3 Bull Calves—Regina Agribition 1972 and 1973.
- First Prize Pen of 3 Heifer Calves—Regina Agribition 1972.
- First Prize Bull Calf—Regina Agribition 1973.

These are just some of the winnings P.D.M. has produced for us at Woody Hills.
 We have our third crop of calves on the ground now and they look better than ever.
 We are offering 4 young Females in this sale. These females are out of some of our best producing cows. They have great set of feet and legs, straight lines and growthy.
 We are quite confident that these females will go into any herd, anywhere and do a great job as brood cows.

PROFITABLE INVESTMENTS

Manitoba-bred Shorthorns consistently have been winners in the show ring, money-makers in the feedlot, and great producers in the cow herd. Plan to be with us on June 9, enjoy the Western Canadian hospitality, and take advantage of this great offering.
